March 4, 1905.

FIRE PRECINCT REPORT.

To the Voters and Taxpayers of the Tilton Fire District:

The board of firewards submit the following report for the year ending February 17, 1905:

Following is a list of the fires and alarms for the year:

March 24.—11 a. m., alarm for fire at I. N. Boucher's residence; slight fire on roof from chimney burning out; damage about $50.

April 19.—12.30 a. m., alarm for fire at O. & E. Morrison's mill. This was the hardest fire to get under control for the year and assistance was asked from Franklin, which promptly arrived, but apparatus was not used, as the fire was under control when it arrived; cause of fire not known; loss, $3,400.

April 24.—10.30 a. m., still alarm for fire at Hills' block in tin shop; no damage to building; cause, defective fire pot.

June 18.—11.20 a. m., alarm for fire at J. E. Smith's residence. The hand-tub, with hose carriage, was taken up. The tub was set at a well back of the barn and a stream of water played on the barn, which caught in several places. The house was totally destroyed; loss, $6,000; cause, defective chimney.

July 4.—7.30 p. m., alarm for slight fire on shed on Mechanic street owned by Mrs. Robinson; no damage; caused by fireworks.

July 26.—12.45 a. m., alarm for fire at ice house owned by Citizens' Ice Company; cause, unknown; loss, $2,000.

July 27.—The fire company was called on to put out the smouldering fire at Citizens' Company ice house at 8 a. m. and again at 8 p. m.

August 12.—1.45 a. m., alarm for fire in stable at fair grounds, which was totally destroyed; cause, unknown; loss, $2,000.

October 2.—1.15 a. m., an alarm for fire in a barn on the Dorety estate, which was totally destroyed, as was the blacksmith shop of L. V. Thompson. The ell of the Dorety house was partially burned; also the tenement houses of the Pillsbury Brothers on the corner of Main and Prospect Streets; cause of fire, unknown; losses about $3,000.

November 2.—3.30 p. m., alarm for fire at E. L. Sanborn's tenement on Park Street, Northfield. Fire was caused by children building a fire in shed.

The house of M. E. Holmes was damaged considerably, mostly from water; estimated loss, $2,500.

The Sanborn house was damaged very much by fire.

December 24.—2.55 p. m., alarm for slight fire in W. Smith Hill's tenement near the upper bridge in Northfield; damage about $25; caused by curtain taking fire from a lamp.

The orders we have given on bills, which should have come in last year, amount to $228.41; with orders given by last year's board of firewards, after their report was rendered, $132.99, making $361.40 of last year's bills to come in on our report.

There are no outstanding bills that we know of.

During the year we have purchased 1,000 feet of hose and

now have about 2,100 feet of good hose and about 800 feet of damaged hose that leaks.

At the Dorety fire there were two lengths of hose cut up by the cars running over it.

We have organized a hook and ladder company of eight men and find it is of great assistance.

The Gamewell fire alarm system was installed this year and is working finely.

We have a time clock and set of storage batteries located at the Tilton Mills Company's lower mill. The batteries are charged and clock taken care of by the Tilton Electric Company. The clock cost $35 and was donated to the precinct by subscription. It strikes two strokes on the church bell at 12.30 p. m., indicating that the system is in perfect order, thereby saving the expense of a man to test the alarm each day. The cost of rent, charging batteries and taking care of clock is $10 a month and the Electric Light Company have presented the firewards with a receipted bill to March 1, 1905, and donated it to the precinct. We have purchased three ladders to take the place of those burned at the hotel fire.

The following orders have been issued on the treasurer during the year:

1904.

Feb.	25.	J. W. Hunkins, collecting taxes, Northfield,	$15.00
		Cornelius Callahan Co., repairs,	6.32
March	1.	Selectmen of Tilton, making taxes,	20.00
		W. J. Caverly, collecting taxes, Tilton,	25.00
	4.	Kidder & Whittier, repairs,	.80

6.	W. P. Lang, night watch,	45.83
7.	C. A. Town, fireman,	20.04
		$132.99

Orders given by old board of firewards, after report for the year.

March	30.	Boynton & Smith, supplies,	$4.50
		Ernest E. Nelson, drying hose,	6.15

ANNUAL REPORT

OF THE

Town School Board.

As we present you with our report of the schools for the year just closed, we feel justified in saying that, as a whole, the schools have been prosperous and now stand upon a higher plane of excellence than at the commencement of the year, and that they give promise of better work in the future. Most of our scholars have been regular in attendance for thirty-four weeks.

We would again suggest the advisability of more frequent visits to the schools by parents. Show teachers and scholars that you are interested in their work. It will help sustain their interest in their work, and thereby make it more successful.

The same text books are in use as last year.

There have been 106 scholars enrolled on our registers during the year. The number of different pupils who have been in attendance two weeks or more during the year is as follows:

Sanborn road,	20
E. Tilton,	38
Highland,	13
No. 4,	31
Number of visits by school board,	36
" " " citizens,	258

WILLIAM A. GARDNER, Treasurer.

UNION SCHOOL DISTRICT No. 1, IN TILTON.

ANNUAL REPORT OF THE BOARD OF EDUCATION.

The board of education of Union School District respectfully submit the following report:

Our schools, with one exception, have been under the care of the same teachers as last year.

We believe they have all been persistent in their efforts to do good work, and that we are making decided progress in methods and efficiency of teaching, and we solicit the kindest interest of the citizens of Tilton and Northfield.

The daily attendance is not what we wish it to be as pupils are allowed to stay out for some trivial excuse and thereby lose interest in their studies.

If all parents would take a personal interest in the schools and encourage better attendance from each child it would help our schools very much.

The second volume of Mrs. Dickson's History has been put into the seventh grade and is being used with much pleasure and profit.

New dictionaries have been put into some of the rooms. Old books have been replenished and some new ones added.

We found it impossible to heat the two east rooms, as the heating surface was insufficient. These rooms have been newly piped. Double windows have been put on to the west windows of the two west rooms. New registers are

ordered and when these are properly adjusted we hope to have no more difficulty in keeping the school rooms properly heated and ventilated, and we also hope to save much fuel that has gone to waste.

The enumerating agent discovered 302 children of school age in the district in October. The number of different pupils enrolled two weeks or more during the year is as follows:

	Boys.	Girls.
Grade 1,	20	23
Grade 2,	20	26
Grade 3,	24	14
Grade 4,	16	17
Grade 5,	16	19
Grade 6,	19	13
Grade 7,	10	24
Grade 8,	14	17

Total, 292.

With hearty interest and aid from the public, who are invited to visit our schools at any time, with earnest co-operation on the part of pupils and parents, combined with the conscientious work of teachers, our schools will take and maintain its proper place in the state.
